Dear Ms. Sinram:

The National Republican Congressional Committee (FEC ID# C0075820) is in receipt of your Request for Additional Information dated October 21, 2010 regarding our 2010 June Monthly report.

The line 15 receipt from Automatic Data Processing (ADP) in the amount of \$663.28 represents a reimbursement from ADP for COBRA payments made by COBRA participants to ADP in ADP's administration of the Committee's COBRA service. While there is no specific Committee disbursement to ADP to which the refunds are tied, the Committee now makes its healthcare payments to Guardian Life Insurance Company.

The receipts from Ileana Ros-Lehtinen for Congress and Friends of Bill Posey result not from payments made to these entities, but from payments made to Whitaker L. Askew.

The receipts from Duncan Hunter for Congress, Friends of John Boehner, Ken Calvert for Congress, and the Royce Campaign Committee result not from payments made to these entities, but from payments made to Kevin W. McGrann.

The refund from EDonation in the amount of \$ 1,696.94 was from a payment originally made to Campaign Solutions (EDonations and Campaign Solutions are affiliated business entities) in the amount of \$ 3,191.03 on April 8, 2010.

Mr. Gary Martilla contributed \$ 1,000 on April 30, 2010. Mr. Martilla requested a refund, which was issued to him in the same amount on May 13, 2010. Also, Mr. Martilla had initiated a chargeback in the amount of \$ 960 through his credit card, a chargeback which was processed on 5/1/10. Mr. Martilla subsequently contributed \$ 960 to the committee, by means of a \$ 40 (and thus unitemized) donation on 5/21/10, and a \$ 920 donation on 6/2/10, which was itemized on the committee's July monthly report. All transactions are correct as reported.

With respect to the reporting of independent expenditures in opposition to Mark Critz, your letter notes that the Committee filed a Form 99 as follows:

Please note that the television commercial reported to the FEC on May 10, 2010 and run as part of the NRCC's Independent Expenditure effort in the May 18th election in Pennsylvania's 12th Congressional District was scheduled to air for the first time on May 10, 2010. Due to a station error, WTAJ-TV 10 in Johnstown, Pennsylvania put the commercial into rotation on May 8, 2010 at 6:28 p.m. The station did not notify the NRCC nor any agent of the NRCC that the commercial was put into rotation on May 8, 2010, instead of May 10 as planned. The NRCC learned of the station's error on May 10, 2010, and filed the Independent Expenditure report immediately. Please do not hesitate to contact NRCC General Counsel Jessica Furst at (202) 479-7000 if you have any questions about this situation.

The Committee has no further information to provide regarding the placement error made by the television station in Johnstown.

Sincerely:

Keith A. Davis, Treasurer
National Republican Congressional Committee
